60. I know that if I secure my enlistment by means of any false statement, willful misrepresentation, or concealment as to my qualifications for enlistment, I am liable to trial by court martial or discharge for fraudulent enlistment and that, if rejected because of any disqualifications known and concealed by me, I will not be furnished return transportation to place of acceptance.

I am of the legal age to enlist. I have never deserted from and I am not a member of the Armed Forces of the United States, the US Coast Guard or any Reserve component thereof; I have never been discharged from the Armed Forces or any type of civilian employment in the United States or any other country on account of disability or through sentence of either civilian or military court unless so indicated by me in Item 56, "Remarks" of this contract; I am not now drawing retired pay, a pension, disability allowance, or disability compensation from the government of the United States.

Each member whose enlistment is extended under this section shall be discharged not later than six months after the end of the war or national emergency, unless he voluntarily extends his enlistment. (b) The substance of this section shall be included in the enlistment contract of each person enlisting in the Regular Navy or Regular Marine Corps."

52. SECTION 6540 OF TITLE 10 OF THE UNITED STATES CODE is quoted: "(a) The senior officer present afloat in foreign waters shall send to the United States by Government or other transportation as soon as possible each enlisted member of the naval service who is serving on a naval vessel, whose term of enlistment has expired, and who desires to return to the United States. However, when the senior officer present afloat considers it essential to the public interest, he may retain such a member on active duty until the vessel returns to the United States. (b) Each member retained under this section -- (1) shall be discharged not later than 30 days after his arrival in the United States; and (2) except in time of war is entitled to an increase in basic pay of 25 percent. (c) The substance of this section shall be included in the enlistment contract of each person enlisting in the naval service."

53. I understand that, upon enlistment in a Reserve component of any of the Armed Forces of the United States, or upon transfer or assignment thereto, in time of war or National emergency declared by Congress, or when otherwise authorized by law, I may be ordered to active duty for the duration of the war or National emergency and for six months thereafter.

54. I have had this contract fully explained to me, I understand it, and certify that no promise of any kind has been made to me concerning assignment to duty, geographical area, schooling, special progress, assignment of government quarters, or transportation of dependents except as indicated.
