

FROM: 111th Fighter Interceptor Squadron

3 NOV 1970

SUBJECT: Promotion of Officer

TO: 147th Fighter Group (GPCR)

1. Recommend the following officer be promoted to the grade and position indicated:

a. GEORGE W. BUSH, 2d Lt, [REDACTED]

b. Recommended grade, position and applicable unit manning document: 1st Lt, Pilot, Fighter Interceptor, 111th Fighter Interceptor Squadron (R1637EV).

2. This officer completed the prescribed minimum creditable promotion service on 4 March 1970, and meets the other requirements prescribed in paragraph 4, ANGR 36-04. Request Lt Bush be examined by a Federal Recognition Board for the purpose of being promoted to 1st Lt on 7 November 1970.

3. Lt Bush is a dynamic outstanding young officer. He clearly stands out as a top notch fighter interceptor pilot. Lt Bush is possessed of sound judgement, yet is a tenacious competitor and an aggressive pilot. He is mature beyond his age and experience level as evidenced by his recent participation in the unit firing deployment. During this deployment, Lt Bush delivered both primary and secondary weapons from the F-102. The tactics and procedures conformed to a test project and were, therefore, more difficult to perform. Lt Bush performed in an outstanding manner, bringing credit to himself and the unit. He also participated in a practice element deployment and practiced simulated weapons delivery on varying geometries and tactics solutions. Lt Bush's skills far exceed his contemporaries. He is a natural leader whom his contemporaries look to for leadership. Lt Bush is also a good follower with outstanding disciplinary traits and an impeccable military bearing. He reflects credit upon himself and the Air National Guard. Lt Bush possesses vast potential and should be promoted well ahead of his contemporaries.

4. This promotion will result in the following authorized versus assigned grades within the unit:
